

HERTZLER BARN

July 7-21, 2007
George Rogers Clark Historic Park
Springfield, Ohio

Thank YOU!

Your participation in and support of this field event of the Timber Framers Guild has resulted in the repair, restoration and raising of this fine old barn. Originally built in 1854, the barn was rescued from certain destruction and now will have new life, to be enjoyed and appreciated for a long, long time, thanks to YOU.
