

Silver Park Small Shelter Project

A Joint Project of the Timber Framers Guild
& Home Resource
Osprey Stadium, Missoula, Montana

September 22-26, 2008

Registration Deadline: September 8, 2008

The Timber Framers Guild will host a five-day workshop to build one of the three winning designs for timber and/or log shelters to be erected in Missoula's Silver Park. The Bonin design will give participants an excellent opportunity for honing their skills in compound joinery. In addition, this shelter, plus the other two winning designs that are being cut at local shops, will be raised in their eventual home in Silver Park, which is adjacent to Osprey Stadium where the workshop will be held. Participants will arrive Sept. 21 for the workshop to begin 8 a.m. Monday morning, and the workshop will end Friday, Sept. 26. There is no fee for the workshop, which includes meals and lodging.

Rafting Trip: Bruce Haroldson and Beaudette Consulting Engineers will host a complimentary half-day rafting trip on Saturday, September 27, at the Alberton Gorge on the Clark Fork River for the Silver Park workshop participants and instructors. This trip will be reserved for those who attend and work the entire week-long workshop.

Workshop Registration

Please return this completed form by one of these means:

Fax: Timber Framers Guild 888-453-0879 U.S. mail: Timber Framers Guild, PO Box 60, Becket, MA 01223
