

Rigging, Raising and Panels Workshop

*A Joint Project of the Timber Framers Guild  
and the Antique Engine and Tractor Association*

*August 12-22 2009  
Geneseo, Illinois*

Project Description:

*A workshop will be held in Geneseo, Illinois, to erect a timber frame barn being cut by Trillium Dell Timberworks. The barn will house the Antique Engine & Tractor Association's collection, which is being relocated from the association's current home in Atkinson, Illinois. The 48 x 70 ft. barn will have 14 ft. bays, with 16-ft. sidewalls and a 9:12 roof. The event will include a two-day panel workshop August 20-22.*

*Tuition for the ten day workshop includes a camping spot, showers and most meals. Some scholarship assistance may be available; please inquire. Tuition may be waived for professional timber framers and/or individuals who have participated in previous TFG projects. If seeking a tuition waiver, please provide a résumé, including recent timber frame projects.*

*Participants will be required to sign a "Liability and Release Waiver" and will be asked for permission to publish images and name.*

*A tool list, a list of required personal protective equipment and waivers are available on the Timber Framers Guild web site, [www.tfguild.org](http://www.tfguild.org).*

Tuition

\_\_\_ Category A: entire raising, rigging and panel workshop, August 12-22; tuition of \$350
