# Celebrate 40 Years with Us

## Sponsor a Guild Event

### 40<sup>TH</sup> ANNIVERSARY

#### Building Community

Frame by frame, the Timber Framers Guild has been making the world a better place for forty years. We invite you to join us in our anniversary year as we continue bringing educational programming in this skilled trade to communities across the continent and beyond. Our goal for 2025 is to put a Guild event within reach of every member in North America - and you can help make that happen!

#### 40 Frames for 40 Years

Our members will share the joy of timber framing with community organizations by coming together to build small frames across North America.

Sponsor Levels: \$50, \$100, \$250, \$500, \$1,000

#### TimberFest 2025

The Guild returns to Hancock Shaker Village, site of the first conference, held in 1985. This special TimberFest celebrates our origins, founding members, history, and timber framing.

Sponsor Levels: \$500, \$1,000, \$2,500, \$5,000, \$7,500

#### 2025 Rendezvous Events

We look forward to six regional events to celebrate our 40th anniversary. These informal weekend gatherings include hands-on demonstrations, lectures, and more.

Sponsor Levels: \$250, \$500, \$1,000, \$2,500, \$5,000

#### 2025 TFG Conference

Sponsor our annual conference in Suquamish, Washington! With nearly a full week of programming, you'll find ample opportunity to support the premier educational and networking event for timber framers and related sectors. Sponsorships begin at \$750.

### Community Building Projects

We build community while building timber frames - with our volunteers, partners, and members. Our instructors not only teach as part of the frame fabrication, they conduct workshops and lectures throughout the Community Building Project. Sponsor these special sessions: \$500-\$2,500.
