2018 REGIONAL GATHERING SPONSORSHIP OPPORTUNITIES

SUPPORT THE FUN!

TFG Regional Gatherings are 1-2 day affairs co-hosted by the Timber Framers Guild and a local timber frame company or supplier. Past regional gatherings have become some of the most memorable events in the Guild's thirty-three year history, attracting longtime Guild members and newcomers alike. Although there is no blueprint for a regional gathering, these events often include tours, educational workshops, demonstrations, lectures, axe throwing, good food, good beer and even better company.

Regional gatherings are an excellent opportunity to increase your visibility and network with timber frame builders and suppliers in an intimate yet casual atmosphere. Regional Gatherings allow for ample opportunities to share your products and services to current or future clients, as well as show your support for the Guild.

Publicity for the TFG Regional Gatherings are nation wide. TFG has over 1,300 individual members, 2,000 on our mailing list, and over 9,000 social media followers. Timber Framers Guild is a 501(c)(3) nonprofit. Your sponsorship may be deductible.

ABOUT THE GUILD

The Timber Framers Guild, founded in 1985, is a non-profit educational membership association dedicated to the craft of timber framing. We serve as a center of timber frame information and design for the professional and the general public. Our programs include national and regional conferences, a certified apprentice program, technical publications, and community building projects.
