You can join the Guild’s Apprentice Training Program (ATP), a nationally-certified training program for timber framing. The curriculum outlines were developed over the past twenty years with extensive help from Guild members across North America. Our program was formally registered with the US Department of Labor in 2009, and we continue to develop testing, graduate apprentices, and certify journeyworkers. The Guild’s Apprenticeship Training Committee (ATC) and Guild staff oversee the administration of the program.

Application to the Apprentice program is “Direct Entry,” which means that in order to participate in the program as an apprentice, you must be formally mentored by or working under a journeyworker. Apprentices who have several years of prior work experience may be able to graduate and obtain Journeyworker status in as little as six months.

The journeyworkers who mentor apprentices must be qualified. Journeyworker qualification is satisfied when a journeyworker applicant indicates competency in 70% of the skills outlined in the Third Edition of the Apprenticeship Manual (see https://www.tfguild.org/downloads/ApprenticeManual.pdf). Apprenticeships are for those who have less than 70% of the skills and training hours.
How to Apply

Those wishing to apply for Apprentice status must submit a skills assessment along with a resume, cover letter, and the attached application form.

Those seeking Journeyworker status must send a skills assessment, resume, cover note, and three letters of recommendation. A sample letter of recommendation and other helpful resources can be found online at www.tfguild.org/apprenticeship.

For more information on the program requirements, you can review the 62-page TF Guild ATP Skills Assessment, found on the Guild’s website.

Getting involved with the Guild is a good way to network into the industry. All apprentices must be dues-paying members of the Guild. There is an additional $75/year fee to be part of ATP.

The objective of the apprentice and journeyworker program is to reinforce the professional practice, evolving skill set, and continuing education necessary to deliver high-quality timber frames, enclosure systems, and structures to the marketplace. For the program to succeed, all are expected to contribute to the education and leadership of others. We look forward to your participation.

The federal application form is attached. It can be mailed to the Guild, or for a secure link to submit it electronically, please contact gretchen@tfguild.org or call 833-TMBRFRM.

Part B: Program Sponsor’s Information

Item 1. A Program Number is a generated number assigned to a program sponsor when a program is registered in the Office of Apprenticeship’s Registered Apprenticeship Partners Information Data System (RAPIDS).

Item 1a. A Sponsor Name is any person, association, committee, or organization operating an apprenticeship program and in whose name the program is (or is to be) registered or approved.

Item 1b. An Employer is any person or organization employing an apprentice whether or not such person or organization is a party to an Apprenticeship Agreement with the apprentice.

Item 2c. Interim Credentials (Certificate of Training) applies to career lattice occupations. These credentials are issued by the Registration Agency upon request by the program sponsor. Interim credentials provide certification of competency attainment by an apprentice, but does not necessarily indicate completion of the program.

Item 3. Occupation Type refers to the following three training approaches listed below.

Programs utilizing this approach must still require apprentices to complete an on-the-job learning component of Registered Apprenticeship. The program standards must address how on-the-job learning will be integrated into the program, describe competencies, and identify an appropriate means of testing and evaluation for such competencies. An apprentice must be registered in an approved competency-based occupation for 12 calendar months of on-the-job learning.

Item 3c. A Hybrid Approach measures the individual apprentice’s skill acquisition through a combination of specified minimum number of hours of on-the-job learning and the successful demonstration of competency as described in a work process schedule.

Item 6. Credit for Previous On-the-Job Learning Experience (Hrs., Mos., Yrs.) is granted by the program sponsor based upon documented evidence provided by the apprentice. An apprentice must complete a minimum of six months on-the-job learning regardless of credits for previous experience awarded.

The apprentice’s social security number will be used for program management purposes, such as verification of the apprentice’s period of employment and earnings to align with Department of Labor’s job training and employment program performance indicators for measuring performance outcomes. The Office of Apprenticeship will use wage records through the State Wage Interchange System needs the apprentice’s social security number to match this number against the employers’ wage records. Also, the apprentice’s social security number will be used, if appropriate, for purposes of the Davis Bacon Act of 1931, as amended, U.S. Code Title 40, Sections 276a to 276a-7, and Title 29 CFR part 5, to verify and certify to the U.S. Department of Labor, Wage and Hour Division, that the apprentice is a registered apprentice to ensure that the employer is complying with the geographic prevailing wage of the occupational classification. Failure to disclose an apprentice’s social security number on this form will not affect the right to be registered as an apprentice. ☐ NO, I DON’T HAVE A DISABILITY
☐ I DON’T WISH TO ANSWER

Your name: ______________________________

Why are you being asked to complete this form?

Because we are a sponsor of a registered apprenticeship program and participate in the National Registered Apprenticeship System that is regulated by the U.S. Department of Labor, we must reach out to, enroll, and provide equal opportunity in apprenticeship to qualified people with disabilities.[1] To help us learn how well we are doing, we are asking you to tell us if you have a disability or if you ever had a disability. Completing this form is voluntary, but we hope that you will choose to fill it out. If you are applying for apprenticeship, any answer you give will be kept private and will not be used against you in any way. If you already are an apprentice within our registered apprenticeship program, your answer will not be used against you in any way. Because a person may become disabled at any time, we are required to ask all of our apprentices at the time of enrollment, and then remind them yearly, that they may update their information. You may voluntarily self-identify as having a disability on this form without fear of any punishment because you did not identify as having a disability earlier.

How do I know if I have a disability?

You are considered to have a disability if you have a physical or mental impairment or medical condition that substantially limits a major life activity, or if you have a history or record of such an impairment or medical condition. Disabilities include, but are not limited to: blindness, deafness, cancer, diabetes, epilepsy, autism, cerebral palsy, HIV/AIDS, schizophrenia, muscular dystrophy, bipolar disorder, major depression, multiple sclerosis (MS), missing limbs or partially missing limbs, post-traumatic stress disorder (PTSD), obsessive compulsive disorder, impairments requiring the use of a wheelchair, and intellectual disability (previously called mental retardation).
