# COMPANY MEMBERSHIP

*Our goal is to create an even more robust, vital, and relevant community where all members thrive.*

When you enroll as a TFG Company, you are affiliating with the Guild's 30-year history and exciting present. Not only does your membership support the Guild's expanding mission, but it yields credibility, opportunity, and connection for your business.

*With the backing of TFG Companies, the Guild is expanding its support of companies with a broadened focus that includes:*

#### **PROFESSIONAL DEVELOPMENT**

A wide array of professional training opportunities for all members developed with an eye to accessibility and affordability. Business basics courses are offered at exclusive prices to TFG companies members.

#### **VISIBILITY AND REPRESENTATION**

A regular on-going publicity campaign about Guild events and that includes both traditional and social media, and active outreach to architects, engineers, general contractors, and building owners - the end-users who make buying decisions.

#### **NETWORKING OPPORTUNITIES**

We provide TFG Companies with a platform for in-person and distance networking opportunities with peers and industry leaders.

#### **CREDIBILITY AND BRANDING**

TFG Companies Principles of Practice identifies Company Members' responsibilities to the public and clients you serve; to help shape the quality and integrity of buildings; and to the craft, technology, and business of timber frame construction.

*Company memberships include an individual membership in the Guild.*
